Code Coverage (if available): 0%

Business Scenario Coverage: 100%

5. Observations

Invalid email shows error: *"No account found"*.

Invalid password shows error: *"Your password is incorrect"*.

Blank email/password not handled correctly (page refreshes).

6. Risks & Issues

Risk/Issue	Impact	Status	Comments
Mobile responsiveness	**Low**	**Open**	**In some devices, the login fields overlap or misalign.**
Network dependency	**Medium**	**Open**	**On poor connections, login requests fail without a clear error message.**

7. Recommendations

Fix mobile view so login page fits all screens.

Test on different mobiles and browsers.

Retry login if internet is slow.
